Saint Charles, MO 63303

Dear Dr. Adomovsky:

I highly recommend your services for several reasons: you clearly explained the procedures, did an outstanding job of setting my expectations about the stages of recovery, and did a beautiful job on the surgery itself. And, your office staff are professional and caring. I have been highly satisfied with your services and your office staff for every aspect of my care.

A handwritten signature in black ink, appearing to read "E Darrell Davis".
