

# Share your success story with us!

Please describe what type of problem that you sought treatment for: My name is Barb Mitchell

I worked as a cashier for 28 yrs apparently causing my right heel <sup>severe</sup> pain I learned of Dr Adamovsky thru other patients recommended him highly!

Please describe your experience with our office, doctors, and staff: I'm been coming to the office & Wellness Ctr since 2009! Sought treatments later but always agreed to meet at the clinic at FC/it & Greenville Regional Hospital  
I did have some injections which always helped me to. Staff is wonderful ->

Please describe how soon after your treatment/procedure you returned to work, normal activities:

I haven't been working, but housework became easier & walking with little <sup>(just recently)</sup> discomfort after 7 days! Followed all instructions!

Overall how was your surgical experience: my experience was very good quick & very professional Dr was concerned about my well-being & nurses were the same way. Front reception desk were friendly to!

Would you recommend Dr. Adamovsky to a friend or family member?  YES  NO

I hereby acknowledge the responses above truthfully reflect my experience with the Feet First Podiatry and their work and procedures. Dr Adamovsky made sure I received the  
right inserts for my foot also + I even  
purchased the more professional ones (customized)

When I needed meds he ok them + also took X-rays  
his staff of women were friendly yet efficient  
caring + made sure I had appointment cards.

Overall experience good.
